BRIEF ABSTRACT OF LETTER.

Recommends that the scale and the rules as finally revised in his office may be approved

NOTES AND ORDERS.

In Rp. C No. 2230-1/Muz 20-21-17 & 9-2-23 certain gentlemen were appointed Dharmadarsis of the chattram ~~and charities~~; and the M.C. was requested to call for a set of Rules from the Dharmadarsis (9) for the occupation of the chattram in generally for the

management of the institution and (2) also for a scale of expenditure.

2. The Resolution of the Dharmadarsis revising the scale of expenditure tentatively sanctd by Govt and framing a set of rules, as directed by Govt, has not been forwarded to Govt.

3. The five rules, in general, for the occupation of the chattram, as revised by the Muz: Comrs, seem to be alright.

4. The chattram and the endowment made for its upkeep are for purposes of charity and as such to levy fees, ~~as prescribed in the said set of rules~~, for the occupation of the chattram generally and specially on marriage occasions, seems to ~~o~~ be ~~inco~~ against the charitable nature of the institution If fees are levied for occupation, it will be of the nature of a Rest-house or Musafirkhana - and will no be a charity

As regard the scale of expenditure,

5. It is not known when the temple of Sri Anjaneya attached to the chattram came into existence. About a fourth of income from the endowed charities goes towards ~~the~~ its maintenance - It may, perhaps, be pointed out that ~~which~~ while a provision of Rs 52 per annum has been ~~for~~ made for special worship on Saturdays no provision has been made for Sri Hanumat Jayanti, which is in vogue in all temples of the kind -

6. Instead of Purana service at Rs 10/- p.m a clerk on Rs 10/- p.m has been proposed by the D.C - The M.C. states that he will obtain the opinion of the Dharmakartas in the matter of the discontinuance of Purana service and submit the matter again for the orders of Govt. If this should continue, as also the clerk, the reserve will be only Rs 37/ which is now put down at Rs 157/-

7. The M.C. requests sanction of Govt for the Secretary to the committee to continue to reside in the chattram.

8. It does not seem appropriate to designate the clerk as "manager" as opined by the M.C.

9 In the beginning of the letter, the institution has been referred to as "Seshamma's chattram & Kamalamma's charities". It is perhaps intended to be known as such hereafter. It is now known ~~as~~ only as "Seshamma's chattram".

The Hon'ble M.C., Mr Kandaswami Naidu was here and said that (1) the scales of pay now sanctioned was defective in that no provision has been made for Hanumanthu Jayanti, (2) that a provision of Rs 5 may be made for this purpose making a corresponding reduction in the allowances of Kadambu-Kuppe pay (3) that the rules now sanctioned are only tentative in nature, as it is under consideration to abolish it [illegible]

Sir,

Adverting to para 4 of Government Proceedings No.2330-31/... 70-21-17 dated 9th February 1925, calling for a set of rules for t... occupation of the Bandi Seshamma's chattram and Ammalamma's charit... Balepet, Bangalore City, together with a revised scale of expendi-ture, I have the honor to submit herewith correspondence ending wi... letter M.C.No.103/21-22 dated 5th October 1925 from the Deputy - Commissioner, Bangalore District, forwarding a statement of income and expenditure and also a draft set of rules for the occupation o... the chattram.

3. The scale and the rules as finally revised in this office a... appended hereto and I recommend that they may be approved.

As regards the discontinuance of the purohit service in the chattram, I have asked the Deputy Commissioner to obtain the opini... of the Dharmadarsis and shall submit the matter for further orders of Government on receipt of a reply.

To designate the clerk as "manager of the chattram" seems t... be impropriate in as much as there is a responsible committee of management with a secretary. As his duties are finally -

connected with the maintenance of accounts and correspondence relating to the charities, he will more appropriately be designated as "Clerk to the Committee of management", his appointment and removal being, however, subject to the approval of the Deputy Commissioner.

3. In this connection, I invite reference to the concluding portion of para 2 of this office letter C.No.780 of 22-23 dated 8th December 1922 and solicit sanction of Government to permit Mr. B. Kandasami Naidu, Secretary to the Committee of management to continue to live during his life-time in the set of rooms in the southern wing of the first floor, without inconvenience to the occupation of the chattram by others, in view of the great interest he has been evincing in the management of the charities and in their efficient working.

4. The amounts realized in the shape of fees are proposed to be constituted into a separate fund to be eventually utilized for building a set of rooms within the chattram precincts for the benefit and free occupation of poor and deserving students. A reference in the matter will be separately submitted for the orders of Government.

Sir,

With reference to your letter No.C.780 of 1922-23 dated 30-10-23 submitting for approval a revised scale of income and expenditure ~~of~~ for Bandi Seshamma's chattram and Kamalamma's charities, Bangalore and also a draft set of rules for the occupation of the chattram, I am directed to state that no provision has been made for Sri Hanumath Jayanti in the temple attached to the chattram and to request that a suitable amount may be provided therefor in the scale by a corresponding reduction of expenditure under Hetchukatle. I am also to observe that if the Purana service is to be continued in addition to the clerk newly proposed the reserve fund will be very much reduced unless ~~you~~ the money can ~~find the money~~ by cutting down other items. A revised scale may be prepared in the light of the above observations and submitted.

With regard to the draft rules now submitted I am to ~~Government~~ observe that the levy of fees in chattrams appears to be against the ~~very~~ nature of the institution. Seshamma's Choultry,

Subedar Chattram Road, Bangalore City, Dno 137

Dated the 25th February '24.

To

K. V. Anantha Raman Esq., B.A.,
Secretary to the Government of His Highness the
Maharaja of Mysore,
Revenue Department, BANGALORE

Sir,

I beg to enclose herewith a copy of my Letter to the Deputy Commissioner, Bangalore District, dated the 18th day of February 1924 together with its Enclosures, viz., Proceedings of the Fourteenth Meeting of the Dharmadarsis held on the 17th February 1924, a Statement showing the Income and the Scale of Expenditure as proposed by them as required by the Deputy Commissioner and a Memo explaining the subject of the discontinuance of the system of levying Fees in the Chattram.

I request that you will be so good as to get the Deputy Commissioner's recommendation thereon and to pass early orders concerning them, as the matter is pending decision for a very long time.

I beg to remain,
Sir,
Your Most Obedient Servant,

Secretary,
Committee of Dharmadarsis.

The Inner Cours proposals regarding the fixing the Scale of fee in the Chattram are accepted.

21-3-24

With reference to Muzrai Commissioner's enquiry as to whether anything is specifically stated in the will of the late Kamalamma about the non-levy of fees for occupation in the chattram the following is respectfully submitted:===

I have no copy of the will of the late Kamalamma as I already submitted the same to the Government. Hence I am not in a position to state whether the will recites any specific provision for the Levying of Fees. As far as I remember and as far as is known to the Hon'ble Mr.T.Rangachariar,High Court Vakil,Madras, and a few other gentlemen, the Donor's express intention was to make the Institution a charitable one and not one yielding revenue. I am personally aware that while the Donor was alive she never realised any fees for occupation of the Choultry and after her death, I as Manager on behalf of the Trustee of her charities, following her example, did not realise any fees from Travellers, for a long time but in order to effect some improvements in the Institution for which funds were not readily forthcoming, I began to levy small fees and realised about Rs.400/- and utilised it for constructing Blocks Nos.1 and 2.

The fact that no fees were then levied as a rule is within the knowledge of gentlemen like Mr.Chengayya Chetty, retired Deputy Commissioner, and several others. The necessity for levying even this small fee ceased and the practice was thereafter wholly given up. After the handing over of the management of the Institution to the Government with the amount of the Endowment, the idea of levying any small fee was subsequently thought of, long after the demise of the Donor, with the temporary object of raising funds for the students' quarters, as has already been submitted to the Government in the Proceedings of the Dharmadarsis, dated 17th February 1924: and thus the collection of fees was foreign to the Donor and the Government will now be pleased, therefore, in deference to her wishes, to remit it altogether.

Committee of the Dharmadarsis,

I. Read the Deputy Commissioner's Memo No. H.C.102 dated 9/11th February 1924 calling for fresh proposals regarding the scale of Income and Expenditure of the Institution.

RESOLUTION 1.

In view of the fact that money is required for 2 more items of expenditure, viz., the Hanumantha Jayanthi and the Puranik's pay, which latter, we consider very - essential, we resolve that the monthly and annual expenditure be as per detailed statement herein enclosed. The Net Income therein is Rs. 1050/- per annum and the Net Expenditure Rs. 891/-, leaving a surplus balance of - Rs. 159/- annually. The item of expenditure for annual repairs need not, we consider, be 15% or even ~~need-not~~ 10% inasmuch as after the repairs now undertaken are - completed, the buildings will be in good condition and do not require more than Rs. 75/- per annum for at least 5 more years.

RESOLUTION 2.

The temporary fee now levied from the occupants of the outhouses and the Choultry, being as it is for a -

par ticula

particular purpose, should not be considered as a source of permanent income to the Institution, but as has been often recommended by us, should cease to be levied when sufficient amount is collected for the construction of the proposed Students' Quarters--Vide Deputy Commissioner's letter D.2. Dis. 626/23-24 dated 12/16--11--23. RESOLUTION thereon--Vide also the Memo A herewith enclosed.

After the purpose abovenamed is realised no fee shall be levied from the Occupants of the outhouses and the Chatram. The Institution then ceases to be a Revenue-yielding one and as such the 5% levy towards the Muzrai Establishment charges may be kindly waived and recommendation may kindly be made by the Deputy Commissioner to the Government in this behalf.

RESOLUTION 3.

We consider that the manager mentioned in the list of Expenditure sent by the Deputy Commissioner is not required for the Institution. The Secretary who does work honorarily is in need of a clerk who will be called the Committee's Clerk to keep Accounts, to look after the writing business of the Committee and to do such other work as directed by the Secretary.

We propose to pay him Rs 10/- per month.. The power of appointment, punishment and dismissal of the said Clerk, Temple and Choultry servants, should be entirely in the hands of the Committee.

II. The Accounts for the month of January 1924 were looked into and passed.

The next Meeting of the Dharmadarsis will be held

held in the Chattram Premisee on the 16th March 1924 at 9-30 A.M.

7. The conveniences and facilities which are being now afforded to sojourners and travellers under the personal supervision of the present Secretary, by the use of his own furniture and vessels ~~and~~ (which helps and contributes to a large measure an appreciable accumulation of fees), cannot be permanent in as much as the present Secretary may cease his connection with the Institution and remove the furniture and vessels to his own private custody.

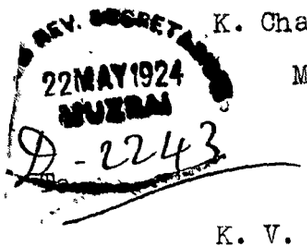
80 of 22-3 Office of the Muzrai Commissioner in Mysore.
Four

Dated Bangalore, 19th M a y 1924.

From



K. Chandy, Esquire., B.A.,
Muzrai Commissioner in Mysore,
Bangalore.

Muz. 136-23-2.

K. V. Anantaraman, Esquire., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

With reference to your letter No.999/M.F.136-23-2 dated 21st January 1924 re fixing a revised scale of expenditure in the Bandi Seshamma's Chattram, Bangalore, I have the honor to forward herewith copy of letter H.C.No.102/21-22 dated 5th March 1924 from the Deputy Commissioner, Bangalore District, enclosing a copy of the proceedings of a meeting of the committee of Dharmadarsis held on 17th February 1924 and to make the following observations thereon:

(i) The Deputy Commissioner has observed regarding the Committee's request for exemption from contributing to the Muzrai Establishment Fund that it is for consideration and ~~others~~ orders. The Committee say that when fees for the rooms is done away with in the future after a fund for students' free quarters is accumulated therefrom the contribution may be waived. The Deputy Commissioner has urged the recovery of the contribution in his letter No.H.C.102/21-22 dated 31st December 1923 and moreover has taken credit for this amount while submitting his proposals for the Muzrai Establishment Fund pertaining to his District. The institution falls under Sec.2 clause (1) ii of the Muzrai Regulation having been taken under Government management under clause (3) of Section of the Regulation and will continue to be under the permanent management of Government. Under Government Orders Nos.2538-49/M.F.694-15-1 and 4334-43/M.F.809-18-2 dated 2nd April 1917 and 17th June 1920, all Major and minor Muzrai Institutions are liable to contribute to the Fund.

(ii) The amount expected from the levy of fees for rooms, viz. Rs.600/- will have to be included both on the Receipt side and under Reserve.

(iii) The modifications suggested in para 1 of your letter under -- reply have been attended to.

(iv) A statement embodying the entries relating to (i) & (ii) above is submitted for favour of approval of Government thereto.

2. As regards the draft rules for occupation and the levy of fees, the Dharmadarsis are of opinion that a temporary levy of fees is ---- sufficient with a view to acquire funds for the construction of free - quarters for the benefit of moffussil students studying in Bangalore. They accordingly propose that the levy of fees may be abolished --- altogether after a lapse of 20 months by which time they hope to ---- collect a sum of Rs.1220/- still required towards the cost of constructing the students' quarters.

3. The construction of students' quarters is a very laudable idea developed subsequently by the committee and should not be given up specially as by careful management a sum of Rs.1080-10-0 has been -- accummulated and the committee are rightly anxious to go on with the scheme. Besides, as the rooms in the chattram are comfortable ones the levy of a small fee will only prevent abuse and indiscriminate use by all classes and conditions of people. More-over the system of -- levying a small fee for occupation in chattrams of the kind, e.g. Dharma Pravartha Rao Bahadur Gubbi Thotadappa's chattram, Bangalore, Nanjaraj Bahadur Chattram, Mysore, Sita Vilas Dharmasala Mysore, Sri Chamarajendra Memorial Chattram, Seringapatam, has been prevalent for a considerable time and does not seem to have been felt as a hardship by travellers resorting thereto or to militate against the nature and object of the Institutions. Again, being in the heart of Bangalore City, the institution is very largely resorted to by the public who have not been feeling the levy of fees as a hardship at any time. In view of the opinion expressed by the Committee, however I recommend that the need for levy of fees may be examined again after sufficient funds are available for the construction of students' quarters. A note from the Secretary who is also a clerk in this office on the matter is also --- submitted.

In conformity with the views expressed in the preceding paragraph I submit herewith for approval of Government a draft set of rules framed in this office similar to the rules in force in other institutions of -- the kind.

I have the honor to be,

S i r,

Your most obedient servant,

Asst Comr
Muzrai Commissioner.
Absent from Headquarters

Letter No.H.C.102/21-22 dated from the Deputy Commissioner Bangalore District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.780 of 1922-23 dated 24th January 1924 calling for a revised scale of expenditure for Bandi Seshamma's chattram, Bangalore City, I have the honor to forwardherewith copies of the Proceedings of a meeting of the --- Dharmadarsis held on 17th February 1924 together with a Memo and a statement of the revised scale of expenditure, received with the Chattram Secretary's letter dated 18th February 1924 and to state as follows:--

2. 'The Dharmadarsis have not made any provision for Muzrai establishment charges as they say that after the accumulation of funds for building the proposed students' quarters, no fee would be levied and the institution would then cease to be a Revenue -- yielding one. This request of the committee is submitted for consideration and orders.

3. The amount of Rs.159/- proposed by Dharmadarsis as "Annual Reserve" is no doubt small. But they urge that the chattram building is a substantial structure and would not require more than Rs.75 per annum for five years more. In this circumstance, the proposal may be accepted as a temporary measure for five years.

4. As regards Puranik's pay Dharmadarsis say that this item is essential and as they have been able to show ways and means to meet his small remuneration at Rs.5/- per mensem, their recommendation may be sanctioned.

expressed desire of the managing committee of the Dharmadarsis not to levy the same fees permanently, for all time to come.
